

Retractable and durably constructed, MhoB Pop Up Power is highly functional with a fluid, one-touch door that remains open during use. It's slick design makes it perfect for adding power to furniture without compromising the look or feel of the space.

FEATURES & BENEFITS

Future Proof

Available with Smart Charging USB A+C (20W, PD, and QC 3.0), perfect for charging cell phones and tablets.

Pop Up Power

Hide or reveal power when you want to by simply pressing on the lid.

Tamper Resistant for Safety

Includes TR outlets to meet the highest safety standards for hospitality spaces.

Ready-To-Ship

Available to ship within 2 business days.

Charging Bricks

Rotated outlet to accommodate larger/longer charging bricks.

Flexibility

Open data port for the addition of new, retrofitted, data or USB cables in the future.
