Dean®

Dean A

Dean is so smooth...it's positively seamless. With solid faceplate construction and a simple block profile, the result is charged with clean, modern energy. In 15 amp simplex or 2 amp USB port arrangements. Looking for a little color? Dean is also offered in a stylish range of on-trend, molded plastic finishes.

Dean Z

Sleek and understated, Dean's low profile and smooth, easy-to-clean surface doesn't pull attention away from other workplace elements. Dean's powder-coated trim and coordinating faceplate is also offered in a range of fresh neutrals, for just the right amount of design impact.

Dean Undermount

Here, standout good looks are neatly tucked away, mounted just under the worksurface for uninterrupted use of the desktop. A cinch to install, our newest Dean puts streamlined access at your fingertips—with the same powerful functionality and finishes as the rest of the family.

Dean Slidemount

When space is tight, Dean Slidemount delivers smart, seamless power that fits right in...literally. Here, the clever two-piece assembly is designed to sit snugly between any worksurface and panel or partition. Simply slide the unit into place from the top and fasten from the bottom. It's a cinch to install and move as needed – no holes to cut here – and offers all the powerful functionality you've come to expect from the Dean family.
